There are two different domain names, so we thought there might be different record-keepers, but if one person can certify as to both domain names, that is fine. We can get you a copy of the documents once you confirm that someone will be able to certify.

Mike, what is the difference between the USC Trojans website and the USC website and what documents are you seeking to get in from those two locations?

**[WARNING: External Email]**

Doug,

I am optimistic we can work things out with the USAO, and with you for a certification. To the extent anything falls through the cracks, will you accept service of the attached four subpoenas for Keepers? Please let me know by 4 pm PT Tuesday, September 7.

Thanks,

Mike
